

THE JACKSONVILLE CARNIVAL.

Mr. J. A. Holloman writing to us of the approaching carnival at Jacksonville, says that it is planned on entirely new lines, and the attractions are national in character, and all of them are refining and elevating in tone. We expect, he says, the co-operation of the United States war and navy departments and altogether will be one of the most elaborate events ever contemplated in this country. We hope to make it a great credit to the state of Florida.

There will be such famous exhibitions as, the Last Days of Pompeii, with over two hundred people in the cast, and the most magnificent exhibition of fire works ever seen south of Manhattan Beach. There will be a wrestling match for the championship of the world between Tom Sharkey, the famous heavyweight, and Tom Jenking, the present champion. The band concerts will be by Contorno's famous New York band of fifty pieces, and scores of other attractions of no less importance.

American and British warships are expected to be in the waters of the St. Johns.

Very Remarkable Cure of Diarrhoea.

"About six years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller, of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine cured me costing but a few cents, cured me." Advertising Metaphors.

Philadelphia North American.

Advertising is the plow that first lays bare the ground for planting.

Advertising is the drill that scatters the seeds of business success.

Advertising is the cultivator that pulverizes the clods and keeps the roots properly loosened.

Advertising is the gentle rain that falls upon the plant and nurtures it.

Advertising is the warm sunshine that caresses it and causes it to blossom forth.

Advertising is the wonder that uproots the rank and foreign growth that attempt to choke it.

Advertising is the harvester that gathers the golden grain.

Advertising is the fertilizer that prepares the ground for another and better crop.

Treat your Kidney for Rheumatism.

When you are suffering from rheumatism, the kidneys must be attended to at once so that they will eliminate the uric acid from the blood. Foley's Kidney Cure is the most effective remedy for this purpose. R. T. Hopkins, of Polar, Wis., says "After unsuccessfully doctoring three years for rheumatism with the best doctors, I tried Foley's Kidney Cure and it cured me. I cannot speak too highly of this great medicine." Post Office Drug Store.

Crude Language.

An Oklahoma paper prints this story: She was from Boston, he from Oklahoma. "You have travelled a good deal in the west, have you not, Miss Beacon?" "Oh, yes, indeed—in California and Arizona and even in New Mexico." "Did you ever see the Cherokee strip?" There was a painful silence, but finally she looked over her glasses at him and said: "In the first place, sir, I deem your question exceedingly rude; and in the second, you might have been more refined in your language by asking me if I had ever seen the Cherokee disrobe."—New York Tribune.

Bronchitis For Twenty Years.

Mrs. Minerva Smith, Danville, Ill., writes: "I had bronchitis for twenty years and never got relief until I used Foley's Honey and Tar which has cured me." Post Office Drug Store.

Just as
They
Grow!

SOME folks are accustomed to vegetables that have been picked for a day or two, carted for miles and exposed to all sorts of weather and frequent handling in markets. They have little idea of the taste of vegetables fresh from the farm. The indescribable difference can be observed by trying the famous

"Royal Scarlet" Canned Goods.

The vegetables packed under this brand have that fresh, snappy taste that makes you long for the country. They are selected with the utmost care, picked at just the proper time, and put up "right on the spot." They are handled but once and have no chance to deteriorate or lose their flavor. They come to you just as they grow. If you want to taste vegetables in perfection, try the ROYAL SCARLET BRAND. You will find them a revelation in flavor and a discovery in economy—you can have fresh vegetables the year round at a trifling cost. We carry the full line.
